Dear Parent:

Your opinions about the performance of your child's school are very important to us! This survey was developed by the Arizona Department of Education and will only take about 5 minutes to complete. Your identity will remain completely anonymous. Your responses to the survey questions will be combined with responses from other parents to give us information about your child's school.

If you have more than one child currently attending different schools, please fill out one survey per school. If you have more than one child currently attending the same school, your responses should be based on your perceptions of your OLDEST child's school experiences.

If you have any questions about this survey, please contact the Arizona Department of Education by email at Steve.Larson@azed.gov.
